

Dr Stacy Worrall

Practice limited to Periodontics

BDS (Manc), PGCert (UoK), MJDF RCSEd, MPerio RCSEd, DCLinDent (QMUL)

GDC NO. 252095

Dr Stacy Worrall qualified from the University of Manchester in 2014. She further developed her clinical knowledge and surgical skills in the Maxillofacial department of the Royal Surrey County Hospital. Here she received formal training in the basic and complex surgical techniques in all aspects of oral and maxillofacial surgery.

Following this, she completed 2 further years at Great Ormond Street Hospital, training in paediatric oral and maxillofacial surgery, where she advanced on her passion for meticulous soft tissue and bone augmentation surgery. Her interest in oral health and surgery in the mouth led her to embark on speciality training in Periodontology the Royal London Dental Hospital. She has successfully gained a Doctorate in Clinical Dentistry and is a member of the Royal College of Surgeons in Periodontics. Stacy is now awaiting the outcome of her specialist list registration with the GDC.

Stacy's special interests include both surgical and non-surgical techniques in the treatment and stabilisation of periodontitis. She is dedicated to giving patients the latest evidence-based care to improve their oral health, helping patients preserve their teeth and healthy gums. She is happy to provide periodontal surgery for patients including; hard and soft tissue regeneration and perio-plastics. She is also able to provide placement of dental implants and treatment of peri-implantitis.

Outside of Dentistry Stacy loves to travel, trying different international cuisines and at home enjoys learning new recipes and cooking techniques.
